John Gascoigne

The Enlightenment And The Origins Of European Australia

The Aboriginal Male in the Enlightenment World: Australian. The Enlightenment was an intellectual and philosophical movement that dominated the world. It helped spread the ideas of the Enlightenment across Europe and beyond. If taken back to the mid-17th century, the Enlightenment would trace its origins to Descartes Discourse on the Method, published in 1637. In France Erin Ihde - University of New England (UNE) John Gascoigne (with the Assistance of Patricia Curthoys), The Enlightenment and the Origins of European Australia. Cambridge: Cambridge University Press, Emeritus Professor John Gascoigne - School of Humanities. This is an extremely valuable contribution to the literature on colonial Australia and the ideological origins of European expansion more generally, dealing with
